MINISTRY/ORGANIZATION
MARKETING
GUIDELINES

REVISED JANUARY, 2017

INTRODUCTION

0.0 THANK YOU

Dear Ministry and Organization Leaders,

These guidelines are not just another set of rules to follow. They are a framework to assist in your ministry and evangelization efforts to grow and enrich our faith community. They seek to address the procedural practicality of managing the promotional efforts of a diverse organization while providing a common direction for all our efforts.

God calls us to be fruitful and faithful. Think what we can accomplish together if we are speaking in a unified voice with unified purpose? That is what our branding provides. It is a platform upon which we can tell the story our parish. Each of you is responsible for writing a chapter.

Your stories will fold into the larger narrative of our community. Our combined story enables us to cast our nets wide to encourage people in our own pews and attract those on the outside. God willing, we may even bring those who have lost their way into His light.

Our faith community mission statement is defined as:
*To meet people where they are on their voyage of faith
and offer them opportunities to **know, share, and live** their faith.*

Our aim is to be an open and inviting parish that shares what we believe as Catholics and invites others to join us on our voyage of faith. Through this we are called to fulfill the basic mission statement of Christ's Catholic Church: To make disciples.

It is through your efforts and this framework that we will work to accomplish God's purpose for our faith community. Let's take this voyage together and in doing so, invite others to join us.

God Bless

Fr Bob
