RESET WITH JESUS

A MESSAGE FROM JENNIFER RICE...

Lately in my inbox and voicemail have been messages that start with “I know you’re busy...”. After receiving enough of these, I needed to step back and ponder how this busyness is affecting work, relationships, health, and prayer time. Stressed, not so present, going through the motions to get the lists done – if they even get done.

Friday, I recognized it was time for a reset. I have Fridays off and use that time to catch up at home, but there was an urge to spend a day of pilgrimage away – an insistent voice, actually! I drove to my place of reset and retreat – **the Basilica and Shrine of Our Lady of Consolation in Carey.**

This is the holy ground where I had my first memorable encounter with Jesus on a TEC weekend in high school. I’ll never forget standing around the altar at midnight in His presence in prayer. The Shrine became a touchpoint for me after that: stopping in my travels to pray for relationships, jobs, children, health, and attend a retreat every year. I went this time to sit before the Blessed Mother, to sit before Jesus, to attend Mass, wander the grounds of the park where there is a new, huge statue of Christ the Redeemer, to soak up His presence and remember what is most important.

Although I highly recommend driving the 90 minutes north for such an experience, our resets can happen right here, wherever Jesus is present – especially in the Eucharist. When we are feeling drained or drifting, Jesus offers us Himself as nourishment. “I am the bread of life. Whoever comes to me will never be hungry, and whoever believes in me will never be thirsty... And this is the will of him who sent me, that I should lose nothing of all that he has given me, but raise it up on the last day.” (John 6:35, 39) We ask Jesus for our specific needs before we receive Him in the Eucharist, trusting that His presence within us will guide us and bring life and light to where we may feel death and darkness.

Eucharistic Adoration is another reset for us. My weekly Holy Hour is essential (I probably need a few, really) to rest and renew my priorities, but more importantly, to remember how loved I am by Him – not for all of the things I do, but for who I am – His beloved child. St Teresa of Calcutta said, “When you look at the crucifix, you understand how much Jesus loved you then. When you look at the Sacred Host, you understand how much Jesus loves you now.” Taking in that love, feeling His loving gaze upon you, is all that is needed for a reset – and we have opportunities almost every day here to go into the chapel and let Him love us.

I encourage you to make time to reset in the presence of Jesus at Mass and Adoration. It is vital to remember who we are through Him and keep us moving on our path of faith. As Blessed Carlo Acutis said, when “we face the sun, we become tan...but when we place ourselves in front of the Eucharistic Jesus, we become saints.”

EUCCHARISTIC REVIVAL 2024-2025

COME & SEE THE EUCHARIST

BIBLICAL EVIDENCE FOR THE REAL PRESENCE IN THE EUCHARIST (PART 3)

If Jesus intended His command to eat His flesh and drink His blood to be taken literally, and the Last Supper is the event where He reveals how the apostles are to fulfill that command, then it’s reasonable to conclude that when He told the apostles the bread was His body and the wine His blood, He meant it literally.

Another line of defense is to appeal to the typological precursor of the Last Supper. Jesus’ use of the phrase “blood of the covenant” reveals that He intends the Last Supper to be for the New Covenant what the sprinkling of blood on Mount Sinai in Exodus 24:8 was for the Old Covenant: namely, the ratifying ceremony.

But if real blood was used for the ratifying ceremony of the Old Covenant, then how much more need there be real blood for the ratifying ceremony of the New Covenant, which is the Last Supper? To not have real blood present at the Last Supper would be to make the New Covenant inferior to the Old, which is not correct biblical theology.

WHERE DOES IT SAY THAT?

THIS CONSTITUTIONAL AMENDMENT...

THREATENS PARENTAL RIGHTS

By using "individual" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

PUTS WOMEN AT RISK

Current Ohio laws* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed. These health and safety standards could be seen as a "burden" and be eliminated, making it even less safe for women seeking an abortion.

ALLOWS ABORTIONS THROUGH 9 MONTHS OF PREGNANCY

In U.S. law,** "health" includes age or physical, emotional, or psychological well-being. This means a woman's age or emotional health could be cited to justify aborting a full-term baby. An abortion-providing physician would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this vote.

ARTICLE I, SECTION 22

The Right to Reproductive Freedom with Protections for Health and Safety

1. Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on contraception, fertility treatment, continuing one's own pregnancy, miscarriage care, and abortion.
2. The State shall not, directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either an individual's voluntary exercise of this right or a person or entity that assists an individual exercising this right, unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.
3. However, abortion may be prohibited after fetal viability. But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.
4. As used in this Section, "Fetal viability" means "the point in a pregnancy when, in the professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis"; and "State" includes any governmental entity and political subdivision.
5. This Section is self-executing.
