

October 2023

St. Brendan School is proud of its longstanding commitment to provide a quality elementary education in a Catholic community where spirituality is fostered, uniqueness is valued, and potential is realized. To continue our tradition of support to this commitment, the St. Brendan Home and School Association will hold its 21st annual auction and dinner fundraiser, An Evening Under the Stars, which will be held on **March 2, 2024**. We invite you to our semi-formal adult only event which will include dinner and drinks, raffles, and live and silent auctions.

Our Home and School Association is an organization of our school parents who work to ensure the students, staff, teachers and administrators have all of the resources that they need to be successful in their work with our students. These funds help bridge the gap between our tuition and the annual needs of the school. In addition to this, we are able to help with improvements to our school facilities. This year we hope to raise enough funds to help with upgrades to the stage in our gymnasium. This event is more than a fundraiser; it helps to build community by bringing members of our community together for fellowship in planning and attending the event.

To help us achieve our goals this year, we ask for your support by sponsoring our event with a monetary contribution, donating an item, service or gift card. No donation is too small. If you are interested, please contact one of our auction chairs or return the response form. Upon request, we will provide a tax receipt.

On behalf of our Home and School Association, faculty, staff, students and parents of St. Brendan School, we thank you in advance for supporting our children and school.
