Lucky Stars Raffle

Our ever-popular 50/50 raffle is back! Tickets are \$20 each, only 500 tickets will be sold. The winner will be announced the night of the Auction and will receive \$5000 (if all 500 tickets are sold), which can be applied to tuition or taken as cash. Purchase your tickets [HERE](#). **Please consider sending the link to friends and family to purchase a ticket**, we still have a lot of tickets to sell.

Dinner Reservations due 2/15/24

We hope you are planning to attend the auction. Reservations are due by February 15th. We have room for a few more tables, so if you have not bought tickets yet, please do so ASAP. If you have misplaced it, the information can be found [HERE](#). Purchase your tickets [HERE](#).

Donation Drop off NEXT WEEK

Please plan to drop off your baskets and donations next week during drop off, pickup or bring them into the school office during the day. You do not need to wrap them this year as we are planning to get pictures of the contents for our GiveSmart App. It is not too late to donate! For the personal donations signup, click [HERE](#) For our corporate sponsorship and donation letter, click [HERE](#).

Class Art Projects

Our classroom art projects for the auction will be on display during conferences on Thursday. Each homeroom has a project that will be in our silent auction and each grade level has a project that will be in our live auction.

Volunteers Needed

An event like the auction takes a lot of volunteers to make it all come together. We need volunteers to sell tickets after masses on 2/11 and 2/18. Please sign up [HERE](#). Volunteers are also needed to help set up, for the night of the auction events, and for cleanup the next day. Please check out the opportunities [HERE](#).

Please email Christina Miller or Christine Mack with any questions on your personal donation or Laura Peters or Sarah Boyle with any questions on your corporate donation at sbauction@cdeducation.org.

As a reminder, all our auction communications can be found on the [school's website](#).
