# KOLLAR'S CORNER – SUMMER PROJECTS RECAP

Dear Parish Community,

We finally got a break from the heat and now, for most people at least, it is their favorite time of year – cool mornings and evenings, 70 degree daytime temperatures and low humidity during the day! As we move into autumn, we can reflect on an eventful summer of activities that took place to help keep our campus looking and functioning better. Below is a recap of our completed summer projects.

## ST BRENDAN SCHOOL GYM STAGE – PHASE ONE

During phase one of the school gym renovation, we extended the stage footprint. The stage/platform extension now allows for more space for school plays or for the altar to be closer to you during larger holiday Masses (Christmas, Easter, etc.) This phase included wiring infrastructure upgrades to the electrical, lighting and sound system in preparation for Phase 2 that will take place in the near future.

## CHURCH HVAC AIR HANDLER UNIT (AHU)

One of the large air handler units (\*AHU) for the church, which was 45 years old, failed us early this past spring and was replaced over the summer. At times this summer, it may have gotten a tad warm, but we were blessed not to need to move Mass into the school gym due to the heat. This project came in on budget and was completed earlier than expected.

*\*AHU is a device used to regulate and circulate air as part of a heating, ventilating, and air-conditioning (HVAC) system. It is connected to the church duct work ventilation system that distributes the conditioned air throughout the church.*

## MAIN PARKING LOT

We completed the last of the needed major patching and repairs in the parking lot this summer, as well as restriping and sealing the entire parking lot which will protect our investment for years to come.

## CHURCH LIGHTING

Due to recent supply chain issues, the church lighting project is still a work in progress. As I mentioned this past spring, the lighting that we did in the church several years ago was only to retrofit the incandescent light bulbs with energy-saving LED bulbs. The decision at that time was made so that we could be proactive for the ever-increasing cost of electricity. But, the replacement of the housing units for the lights and lighting control system (remember the disco light show behind the altar?) was prohibitive.

The lighting upgrade currently underway will be completed by the end of October. We are replacing the lighting analog control system with a new digital one. The church will not need to be closed during the rest of the install process, as the contractor has agreed to work around our schedule in the church so that we will have little-to-no disruption.

## PARISH/SCHOOL RESTROOMS

All thirteen of our school and church restrooms have been given a facelift! We brightened up the cement block look by covering it with light colored wall tiles and added slip resistant flooring tiles, new lighting and countertops.

In addition, the unseen portion of some of this project included new plumbing. The pipes replaced were well over 60 years old in some cases, and had become expensive to maintain and repair as they aged.

## THANKS AND GRATITUDE

On a personal note – I was out of the office due to a knee replacement when all the above-mentioned fun was happening. Thank you for all your prayers and well wishes during that time. I am currently on the road to recovery and am back in the office.

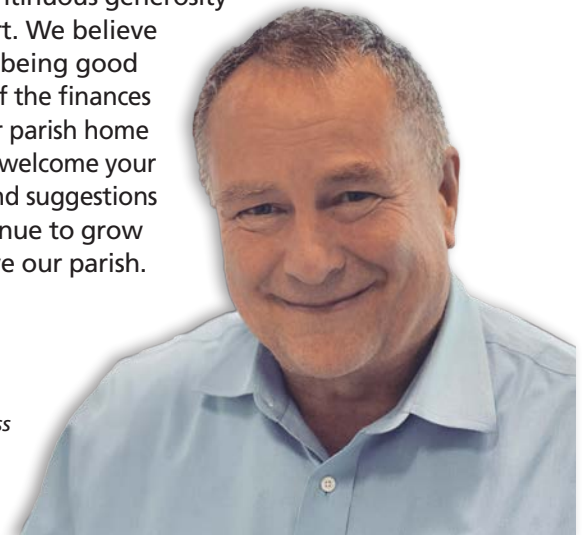

I am humbled by the individuals who make up our parish staff and would like to recognize them for stepping up while I was out. They were on the front line dealing with the day-to-day issues that came up, and it's their hard work that helped to enhance our campus during my absence.

I would also like to extend my gratitude to all the volunteers and parish staff members who contributed to the great success of the Parish Festival this summer (and for the help from above in providing us with such great weather!)

These activities require a lot of hard work and our parish staff and many volunteers always perform at the highest level, aiming for excellence to provide superior service to our parishioners and to our surrounding community.

On behalf of Fr Dooley, Fr Stinnett, Fr Weldit, our deacons, the parish and school staff/teachers, members of the parish finance council and myself, we give thanks and are grateful for your continuous generosity and support. We believe strongly in being good managers of the finances here in your parish home and always welcome your feedback and suggestions as we continue to grow and improve our parish.

Peace,  
Tom Kollar  
St Brendan  
Parish Business  
Manager

## MARRIAGE BANNS

We are pleased to announce the wedding of Jared Smith and Maddie Matos on October 26, 2024 at St Brendan the Navigator. Any known reason why this marriage should not happen should be reported to Father Sean Dooley. We wish Jared and Maddie God's blessing as they unite as husband and wife!

## HURRICANE DISASTER RELIEF

If you missed our hurricane relief second collection and donation drive last weekend, here is another way to help... Catholic Charities USA, the official domestic disaster relief agency of the Catholic Church in the United States, has launched a dedicated Helene disaster relief campaign. All donations received for disaster aid will be allocated to the Catholic Charities agencies providing critical relief, including shelter, food and other humanitarian aid, to those most in need. ## ALL SAINTS/ALL SOULS/MASS OF REMEMBRANCE

**ALL SOULS' DAY** – Because All Souls' Day falls on a Saturday designated for a vigil Mass, we are offering our annual *Mass of Remembrance* on Wednesday, October 30, at the 5:30 PM Mass (normally offered November 2.) This liturgy is for you who have experienced a loss in the past year, for you who want to pray for the departed souls precious to you, and for all of us, as members of this great family, to pray for the dead. Mass will be followed by a Holy Hour dedicated to those souls we remember.

The names of our deceased parishioners and those who have had funerals at St Brendan in the last year will be inscribed on banners that will hang behind the altar during the month of November. Blank banners will be in the gathering space for you to write the names of your own deceased loved ones. Let us remember all the souls of the faithful departed in prayer.

**ALL SAINTS' DAY** – is a Holy Day of Obligation this year. Mass times are: Thursday, October 31 at 5:30 PM (Vigil Mass)  
Friday, November 1 at 7 AM, 12 PM or 7 PM

## **GROW** AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE

All this talk about wisdom in today's readings ... why should we care? Born of a familiarity with the heart of God, wisdom is a virtue that grants us discernment to know right from wrong and to follow God's plan. It is so important to the life of the disciple that it is a gift given to us by the Holy Spirit. In our first reading from - notice - the *Book of Wisdom*, the author, likely expressing the sentiments of King Solomon, praises and esteems wisdom above everything else. Prized over money, health, or beauty, wisdom brings together "all good things." If wisdom is so valuable, we must follow Solomon's lead and seek it. Where do we find wisdom? In the second reading from Hebrews, we learn that we can seek wisdom in the word of God. God's word penetrates "between soul and spirit" and is "able to discern reflections and thoughts of the heart." Therefore, immersing ourselves in God's word allows us to discern between right and wrong and choose the path most pleasing to God.

## **GO** EVANGELIZE

PRAYER, INVITATION, WITNESS, ACCOMPANIMENT

We become familiar with God's word by reading Scripture and by turning to him in prayer. Prayer, Scripture, and the sacraments are living encounters with Jesus through which we get to know the wisdom of his heart. Still, we are faced with many distractions along the way. What distracts us? Like the rich man in our Gospel, are we distracted by wealth? Or does our desire for health or beauty keep us from the wisdom of God? Although countless temptations in our world can draw us away from pursuing God's wisdom, if we remain close to God, we invite him to help us in our weakness. As Jesus assures his disciples in the Gospel, we can be confident in God's help: "For human beings it is impossible, but not for God. All things are possible for God." If we seek him and place our trust in him, our lives will begin to reflect his wisdom and communicate it to the world.
