

Marketing Services Guidelines

Help me help you! Here are some quick tips and a writer's guide to help us get on the same page and give our parish a clear, consistent voice.

TIPS:

- Be as brief as possible while still getting your point across.
- Include images when possible. If you don't have a specific image in mind, but have an idea, tell me! I also have been accruing a good amount of photography of our events over the past year, so if you would like to include a photo of our parish events, let me know and I'll find one for you!
- Include all photos, graphics, etc. as a separate attachment to an email—Please do not paste images into your word doc or other document. (But feel free to indicate where you would like them to go!)
- Excel spreadsheets are preferable over tables in Word.

WRITER'S GUIDE

Names and Titles - Our official names are: "Saint Brendan The Navigator Church of Hilliard, Ohio" and "Saint Brendan School of Hilliard, Ohio."

Avoid periods after abbreviations for designations such as "Saint" and "Father."

Example(s): St Brendan, Fr Bob

Acronyms - On first reference to an organization or other abbreviated entity, use its full name with abbreviation in parentheses. Thereafter, use the abbreviation.

Examples: The Multi-Purpose Room (MPR); thereafter, the MPR

The School Advisory Board (SAB); thereafter, the SAB

Commas - Use the serial (Oxford) comma. Example: I enjoy apples, bananas, and grapes.

Phone Numbers - Phone numbers use decimal separators between area code and phone digits. Example: 614.555.4545, ex 123

Time of Day - Use Uppercase AM and PM. Also drop ":00" for times on the exact hour.

Example(s): 1 PM (not 1 p.m.), 2:45 PM, 8:15 AM.

Calendar Dates - Dates appear in this format: January 31, 2014. If text follows, use a comma after the year. Do not abbreviate the Month. Do not use ordinal numbers for dates.

Example(s): December 3 not December 3rd; July 4 not July 4th.

Numbers - Use percentage symbol, not spelled out percent.

Example: 5% not 5 percent.

Only use ordinal numbers to indicate grades or the order of days.

Example(s): 4th graders, 6th grade class OR 1st Sunday, 3rd week in November

Quotation Marks - All punctuation should go *inside* the end quotation mark.

Example: Saint Francis said, "Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible."

Spacing - Do NOT double space after the end of a sentence! You may have learned this in typing class, but it is no longer correct or necessary with today's modern word processors.
