

December 2024

St. Brendan School is proud of its longstanding commitment to providing quality elementary education in a Catholic community where spirituality is fostered, uniqueness is valued and potential is realized. To continue our tradition of support to this commitment, the St. Brendan Home and School Association will hold its 22nd annual auction and dinner fundraiser, Back to the 80's, which will be held on March 1, 2025. We invite you to our adult-only event including dinner and drinks, raffles, and live and silent auctions.

Our Home and School Association is an organization of our school parents who work to ensure the students, staff, teachers, and administrators have all the resources they need to succeed in their work with our students. These funds help bridge the gap between our tuition and the annual needs of the school. In addition to this, we can help with improvements to our school facilities. This year, we hope to raise enough funds to help complete upgrades to the stage in our gymnasium. This event is more than a fundraiser; it helps to build community by bringing members of our community together for fellowship in planning and attending the event.

To help us achieve our goals this year, we ask for your support by sponsoring our event with a monetary contribution; by donating an item, service, or gift card. No donation is too small. If you are interested, please contact one of our auction chairs, return the response form, or scan the QR code. Upon request, we will provide a tax receipt.

On behalf of our Home and School Association, faculty, staff, students, and parents of St. Brendan School, we thank you in advance for supporting our children and school.
