About the Knights of Columbus *Council #11208*

The Knights of Columbus is built on four pillars: Charity, Unity, Fraternity, and Patriotism. Guided by them, we serve our neighbors, honor our veterans, and stand for the sanctity of life from conception through natural death. Our work grows out of faith and shows up in practical ways all year long.

Faith Formation is at the heart of our mission. We host a weekly Saturday morning Rosary, take part in St. Brendan the Navigator Church Men's Ministry groups, bring Communion Service to the homebound, and support Eucharistic Adoration on Monday evenings. We also support our seminarians and the Kairos Ministry Program, and we stand for life through Right to Life and Pregnancy Decision Health Center events. Families are part of this mission too: our Young Couples / Young Parents Date Nights, hosted with St. Brendan the Navigator Church, help strengthen marriages and build community.

Charity reaches neighbors of every age. Through Coats for Kids, we collect warm clothing for children in need. Through Sleep in Heavenly Peace, we build, deliver, and set up bunk beds, mattresses, and bedding for children who would otherwise sleep on the floor so they can have a bed of their own. We volunteer at local food banks, pack pasta alongside families and young helpers for our Mac & Cheese program, and we serve at the Hilliard Food Pantry. We also host Red Cross blood drives, raise funds for the Measure Up campaign supporting people with developmental disabilities, and hold the Knights Charity Raffle benefiting Warriors to Lourdes.

We also honor those who serve and invest in the next generation. Veteran appreciation events and donations show our gratitude to those who have served. We support the St. Brendan School through the Amy Buzenski Scholarship Fund, host the Free Throw Championship and Trunk or Treat, and respond to additional scholarship requests that fit our mission of service to the parish and our community.
